Optimised transfers in
complete safety

Yes, you can.™

Discover **Birdie**® **EVO**

The new mobile floor lifter

Innovative features for a confident transfer experience

◀ **SMARTLOCK**
Simplify and secure the locking

◀ **New Hook Design**
Attach slings easily

Discover **ISA**™

The new stand assist lifter

A fully adjustable and ergonomic transfer device

◀ **Ergonomic hand grips**
Positioning the hands in a natural, comfortable and intuitive way

◀ **Extendable lifting arm**
Adapting the lifter to the client's height, condition and preference

◀ **Lower leg support**
Maintaining the lower legs with maximum comfort

Additional features

▶ Ergonomic push bar makes handling and manoeuvring even easier.

▶ Distinct curved design of boom and spreader bar allows carers to maintain eye contact with clients at all points of a transfer.

▶ The ergonomic design of the legs, with their smooth edges and natural curve, gives a cocoon like feeling and easily moves around comfort chairs or power wheelchairs.

Additional features

▶ **Foot plate:** three heights available with removable heel block and round shape for toilet approach.

▶ **Leg band:** padded accessory for extra comfort. Easy to exchange and washable.

▶ **Push bar and foot pedal:** ergonomic shape for easy lifter operation.

▶ **Curved legs:** ergonomic shape for easy manoeuvring around chairs and toilet bases.

▶ **Sling hooks:** flexible and secured hooks for a quick, straightforward sling attachment.
